ARTIST BA/HONS

Congrats! Your download is ready...

Psst, your print is on the next page...but please read the print guidance below first.

PDF includes:

These prints are formatted to print at a finished size of A4 (21 x 29cm) including a 3cm white border. Print on good quality paper or card stock, trim accordingly, and your print is ready to go.

These may be printed at home or at a local printer. If your home printers are not up to scratch, then I'd always suggest using a local printer who can print the download for you for a small fee.

NOTE: Do not choose 'fit to page'. The sizing may be distorted if you choose 'fit to page'. Instead, choose 'actual size' or 'print to printable area' to get the accurate sizing.

This printable is for **Personal Use only**
